

Ontario Homicide Investigator's Association

2013 Homicide Workshop

May 6 – May 10, 2013
Niagara Falls, Ontario

"Murder is unique in that it abolishes the party it injures, so that society has to take the place of the victim and on his behalf demand atonement or grant forgiveness; it is the one crime in which society has a direct interest".
W.H. Auden "The Guilty Vicarage"

The Mission of the Ontario Homicide Investigators Association is to bring together the men and women charged with this responsibility and to provide a forum, through which they can share their skill, knowledge and expertise for their professional development and support.

The Abduction, Sexual Assault and Murder of 8 Year Old Victoria "Tori" Elizabeth Stafford

This year's itinerary includes a comprehensive presentation on the investigation into Tori's abduction, murder and subsequent trial.
